E-mail: Kamil.Gorczyca@sharpconsumer.eu

3. Declaration of Sole Responsibility

Sharp Consumer Electronics Poland sp. z o.o. hereby declares under its sole responsibility that the packaging identified in this Declaration of Conformity complies with the applicable provisions of Regulation (EU) 2025/40 on Packaging and Packaging Waste.

This declaration is supported by technical documentation maintained by Sharp Consumer Electronics Poland sp. z o.o. and its approved suppliers.

4. Object of the Declaration

The scope of this declaration includes packaging placed on the European Union market in connection with SHARP branded television products and related components.

A. Sales Packaging

- Television retail cartons
- Protective polybags
- EPS protective cushions

B. Transport Packaging

- Corrugated shipping cartons
- Wooden pallets
- Plastic pallets
- Stretch wrap films
- PET/PP straps
- Corner protectors

C. Industrial and Component Packaging

- PCB packaging
- Main board packaging
- Power board packaging
- Speaker packaging
- Wi-Fi module packaging
- Remote control packaging
- Spare part packaging
- Protective trays and bags

5. Applicable Requirements

The manufacturer declares compliance, where applicable, with the requirements of Regulation (EU) 2025/40 relating to:

- Packaging minimization
- Packaging design requirements
- Recyclability requirements
- Substance restrictions
- Heavy metal concentration limits
- Information requirements
- Labelling requirements
- Technical documentation requirements
- Declaration of conformity requirements
- Recycled content requirements where applicable
- Reusability requirements where applicable

6. Packaging Materials Covered

The packaging covered by this declaration may contain the following materials:

- Corrugated cardboard

- Paper
- Wood
- Polyethylene (PE)
- Polypropylene (PP)
- Polyethylene terephthalate (PET)
- Expanded polystyrene (EPS)
- Printing inks

Detailed composition is maintained within Packaging Bills of Materials, packaging specifications, and supplier documentation.

7. Supporting Technical Documentation

The declaration is supported by:

- Packaging BOMs
 - Suppliers declarations
 - Heavy metals test reports
 - Recyclability assessments
 - Recycled content declarations where applicable
 - ISPM-15 evidence for wooden pallets
-

8. Wooden Pallet Declaration

Wooden pallets falling within the scope of this declaration are intended for transport packaging purposes and shall comply with applicable ISPM-15 phytosanitary requirements and bear the required IPPC marking.

Supporting documentation is maintained by approved pallet suppliers.

9. Plastic Pallet Declaration

Plastic pallets covered by this declaration are treated as transport packaging and are supported by technical documentation demonstrating compliance with applicable PPWR requirements.

10. Component Packaging Declaration

Packaging used for shipment of television components, spare parts, service parts and accessories is included within the scope of this declaration when placed on the European Union market.

11. Retention of Documentation

Sharp Consumer Electronics Poland sp. z o.o. shall maintain this Declaration of Conformity together with relevant supporting technical documentation in accordance with applicable requirements of Regulation (EU) 2025/40.
